The faculty members are activity involved in research, extension and community services.

A physically educated person is one who has mastered the necessary movement skills to participate confidently in many different forms of physical activity; one who values physical fitness and understands that both are related to health and well- being.

Vision: The vision is for all students to be physically educated and have fun while moving. Students who choose to actively participate in quality physical education programs receive a variety of benefits, including the development of:

1. A variety of motor skills and abilities related to lifetime leisure activities
2. Improved understanding of the importance of maintaining a healthy lifestyle
3. Improved understanding of movement and the human body
4. Improved knowledge of rules and strategies of particular games and sports
5. Self-confidence and self-worth as they relate to physical education recreation programs

Mission:

1. To educate minds, develop healthy bodies, and promote positive attitudes towards lifetime physical activity, fitness, and sports skills.
2. To develop the physical, cognitive, mental, emotional, social well-being to movement activity in every student.

Goals:

1. To generate behavioral changes; *physical* and cognitive.
2. Teaches the student to respect the diversity among people.
3. To make the students good human being and responsible citizen.
