The minutes of the meeting are as given below:

Dr. G.R. Kashid (IQAC Coordinator) read all the activities done during the current academic year. He said that more than 100 different activities were conducted in the college this year. This year various changes were made from admission process to examination, planning which greatly reduced the hassle of students and the stress on the administration staff. Admit Card, Bonafide certificate and other things were prepared online which saved time. He said that the student enrollment percentage has increased due to ease of the admission process and effective implementation of the mentor-mentee process. Hon. Varsha Thombare and Dr M.B. Gadekar appreciated all the Committee Heads, Members, Heads of Departments, Teaching and Non-Teaching Staff and IQAC for the effectively implemented activities. In the same way, in the future also the programs for the student welfare should be conducted with similar enthusiasm so that social values are inculcated in the students along with knowledge.

4.1 To collect reports of various activities and programmes

Dr. V.P. Lingayat informed that IQAC has received the reports of various programmes and activities from the various committees and departments and reports of some committees have not been received yet. Dr. M.B. Gadekar directed that all the committees and departments should submit activity related reports to IQAC before term end.

4.2 To prepare Action Taken Reports

Talking about ATR, the principal suggested that all reports should be collected by IQAC before term end, analyzed and ATR should be prepared and submitted.

4.3 To plan for the next academic year 2022-23

IQAC committee members chalked-out brief outline of the work plan for the next academic year 2022-23. The tentative committees list for next academic year will be prepared and presented before the Chairman. The chairman made minor changes in the committees, some committees were newly formed and some were merged. Like previous year, at the very beginning of the next year academic calendar will be prepared and work will be done accordingly. Principal directed that all department heads and committee convenor should prepare detailed plan for various activities to be undertaken in next academic year.

4.4 To monitor the mechanism for effective decentralized management

The college has a system of decentralized management in which key-decision making responsibilities are given to various departments. Various committees were formed to plan, organize, coordinate, motivate and guide the work. While forming the committees it was ensured that the responsibilities of the work would be divided equally. The responsibilities of the committee members were given keeping in mind their strengths and weaknesses.

4.5 To compile data for Academic and Administrative Audit

Dr. G.R. Kashid informed that the college has to undergo a 3 year Academic and Administrative Audit. He said for that necessary information will be gathered and compiled. He said that this audit is very important for the college so that a separate committee will be constituted. After compiling the data the audit report will be prepared and submitted to the university.

4.6 To constitute Various Committees

Various committees were constituted for Academic and Administrative Audit. The work of all constituted committees was planned. These committees will play a very important role as our college is going to fill IQA for NAAC soon, coordinator said.

4.7 To prepare and submit AQAR/SSR

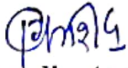

Principal directed that IQAC should collect and compile all the data and based on that AQAR report should be prepared. After filling the AQAR on NAAC portal, its copy should be uploaded on the college website.

4.8 To reform IQAC

IQAC is considered as a very important committee in the college. Since its formation in our college on 05/06/2009, IQAC has undergone many changes. The committee should be constituted as per the guidelines laid down by the UGC. The IQAC of our college received the notification regarding formation of IQAC from NAAC. But due to the Corona pandemic, it was not possible to do change in the committee, Dr. G.R. Kashid said. Further in the meeting, a detailed discussion was held regarding the selection of members. After discussing the names suggested by all the members, some names were decided unanimously. Dr. Mali R.K. (Alumni representative), Mr. Shinde R. V. (Society Representative) and Miss Ghodke S.Y. (Student Representative) were selected as committee members. The principal signed the newly formed IQAC members list and approved the committee.

4.9 To discuss and resolve other miscellaneous and occasional issues with chairman's permission

Other miscellaneous issues were discussed and resolved.

The minutes of the meeting are as given below:

At the beginning of the meeting, Dr G.R. Kashid, IQAC Coordinator gave a brief overview of the meeting. Since the beginning of the year, in the last few months we have conducted various educational and social activities. He said that after the corona pandemic, students and teachers are actively participating in all the activities. On this occasion, he briefed about the various activities conducted.

2.1 To review of plans of academic and administrative activities

As per the discussion in the first meeting plan of various educational and administrative activities was prepared. A review was presented regarding all those plans. While implementing the admission process, changes required from time to time were made. Pros and cons were discussed regarding the admission process and the loopholes left in it. Plans made in connection with various educational activities were reviewed. Departmental academic calendar, teaching plan, daily teaching details, department meeting record, etc. were reviewed in terms of academic activities.

2.2 To review various activities

IQAC reviewed various activities and it was observed that many activities were organized by departments and committees. Various activities were also organized by the initiative of IQAC. NSS and NCC departments also organized various social activities. Dr. G.R. Kashid said that the students enthusiastically participated in all the activities. The Principal Dr. M.B. Gadekar congratulated the concerned departments and the committees for the success of the activities.

2.3 To plan second semester

The second semester needs to be planned before it starts. A plan of various activities to be implemented in the second semester was prepared. The committee members came up with innovative ideas. A detailed discussion was held regarding the planning of the Theory and practical examination to be held in the end of second semester.

2.4 To review and revise incomplete work

The work done so far was reviewed. The principal directed that the problem should be solved and the work completed. Dr G.R. Kashid said that the committees whose work is incomplete will be given necessary support by IQAC to complete their work.

2.5 To collect reports for various committees

Dr. V.P. Lingayat said that the work done by the departments and committees has been reviewed from time to time and still the work report has not been received from some committees. Those whose reports have not yet been submitted to IQAC were instructed by the principal to submit it immediately.

The minutes of the meeting are as given below:

The meeting started by the welcome and felicitation of newly appointed In-charge Principal Dr. M.B. Gadekar by Hon. Mrs. Varsha G. Thombare. The Meeting was then chaired by Dr. M.B. Gadekar, the in-charge principal. At the beginning of the meeting, Dr. G.R. Kashid, IQAC Coordinator presented a review of the work done in the previous academic year and various educational achievements, the difficulties faced while working in the previous academic year and also gave guidance regarding the nature and planning of the work to be done in the current academic year. Director of Barshi Shikshan Prasarak Mandal, Hon. Sau. Varsha G. Thombare assured that all the possible co-operation will be provided on the behalf of BSPM. The college should implement various activities keeping the vision of the institute in view. She said that the organization would provide full support to college to start various Skill Development Courses for creating employment through education for students from rural areas, poor and backward communities.

1.1. To assign the committee responsibilities and plan Academic and Administrative Activities

It is necessary to plan the annual work at the beginning of the academic year, for which various committees are formed and the work is distributed. A detailed discussion was held regarding the formation of committees in connection with the annual academic work, a total of 26 committees were formed. Dr. G.R. Kashid read all the committees formed and gave brief guidance regarding the work to be done by the committees. Dr. M.B. Gadekar gave instructions that all the committees should plan the work, complete their work on time, and submit the report of the meetings held and various activities to the IQAC on time.

1.2. To Chalk-out activities to address Environment and Gender equality related issues

Initiatives need to be taken at the college level to address the issues of environment and gender equality. A detailed discussion was held on what activities should be implemented for this. It was decided to dig trenches for water conservation, plant trees in front of science wing, conduct Energy Audit, Green Audit and Gender Audit. The principal assured that all these activities will be submitted to the CDC and all these works will be completed soon after taking necessary permissions.

1.3. To plan innovative and best practices

A detailed discussion was held regarding innovative and best practices. It was agreed that constructive changes should be made in the best practices so that these activities reach the students more effectively. The principal directed that, IQAC should hold a separate meeting of all the Committee Convenors and Head of Departments to implement various innovative activities of the stakeholders.

1.4. To deploy and encourage teachers for FDPs

It was discussed that the teachers be encouraged and deputed for the Faculty Development Programs. They also should be encouraged to participate in FDPs as well as in Seminars, Workshops & Conferences. The IQAC Chairman & the Coordinator were advised to take initiative and organize activities through IQAC to motivate the faculty members.

1.5. To enhance the services and Library resources

It was unanimously decided that every department should place their book requirements as per the revised syllabus. It was also discussed that new arrivals should be exhibited in the library so that the students and teachers will know about the newly arrived books.

1.6 To monitor the digitalization of the Library

In the meeting it was decided that Library Development Committee should monitor the digitalization of the library. Library database should be updated in the LMS.

1.7 To put the infrastructural requirements before CDC

All the IQAC members requested the principal to put some basic demands before the CDC committee like internal roads, bird nets for classroom windows, and replacement of classroom doors. There was a detailed discuss on this and finally the principal promised to raise these demands before the CDC.

1.8 To discuss the quality parameters and prepare AQAR

It was decided to organize a workshop on SARAL and a lecture series in memory of founder of the institute Loknete Bhausaheb Zadbuke. The data and report collection work under criterion I to VII for AQAR 2020-21 was distributed to the faculty members.

1.9 To discuss and resolve other miscellaneous and occasional issues with chairman's permission

Other miscellaneous issues were discussed and resolved.

- 1.2 **To discuss challenges in the Teaching learning during the pandemic and online teaching pedagogy:** Hon. Chairman, Dr. H.S. Patil said that along with health, education is

also important during this pandemic. It was advised that everyone should adopt student-centric online teaching-learning pedagogy to increase the participation of students. Teachers should try to increase student attendance for that various online programs will be conducted. It is also advised that, faculty should create own blog and website and make study material available to students on it and the link will be given to the college website.

Hon. Chairman, noted that motivational sessions for students especially girl students to bring awareness about sensitization towards gender equality could not be conducted due to Covid-19. It was suggested that these sessions will be arranged online by considering the availability of the girl students.

All members discussed available software packages and their key features for Document Journey Management System (DSMS), also opined that open-source software packages will also do well for the same.

1.3 Other miscellaneous and occasional issues with chairman's permission:
