PERSONALITY DEVELOPMENT PROGRAMME

The department of Botany organized a programme on personality development for students on 08 Aug. 2021. Dr Muley S. R., Mam, Dept. of Zoology was resource person. The programmes focused on the overall development of the participants through group activities and motivational sessions. The group activities fuelled high energy among students and made them mentally positive and emotionally enthusiastic. The SWOT analysis helps the students to realize and recognize their potential and drawbacks. Students were trained to take right decisions, solve the problem logically, take care of their relationships and cope with adverse situations. The Lecture concluded with an interactive session and Dr. K.N. Gaisamudre proposed vote of thanks.
